

HYGIENE VISIT SAFE

Visit Safe allows everyone to move safely throughout the trade fair grounds. With CH3CK for a safe visit to the trade fair, everyone on the trade fair grounds is either vaccinated against Covid, recovered or tested.

1

DISINFECTION AND CLEANING

There are disinfectant dispensers at all essential points throughout the premises. Regularly touched surfaces will be cleaned more frequently.

2

MEDICAL MOUTH NOSE PROTECTION

Please wear a mouth nose protection - also in stationary standing or sitting places, e.g. at exhibition stands. Wearing a mouth nose protection is also required during counselling sessions.

3

SUFFICIENT VENTILATION

All of Koelnmesse's trade fair halls are equipped with modern ventilation systems. The systems are operated with an increased volume of fresh air.

4

HYGIENE IN SANITARY FACILITIES

Our sanitary facilities will be cleaned at frequent intervals. We will provide hand washing and disinfection facilities.

5

CONTACT-FREE PATHS ON THE TRADE FAIR GROUNDS

All door systems except fire doors remain permanently open.

6

STAY AT HOME IF YOU ARE ILL

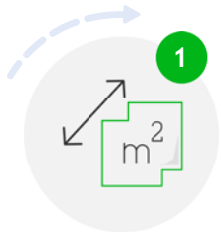

You have no permission to enter the trade fair grounds with symptoms of illness such as cough, fever, cold, sore throat, general weakness, diarrhoea, odour and taste disturbance!

DISTANCING RULES

MEET SAFE

With Meet Safe we create the basic conditions for secure business contacts to lead your participation in the trade fair to success.

EXPANSION OF THE TRADE FAIR AREAS

We will examine and, if necessary, increase the size of the extended floor space for each individual event. So we ensure the necessary minimum distance.

ADAPTATION OF AISLE WIDTHS AND TRAFFIC AREA

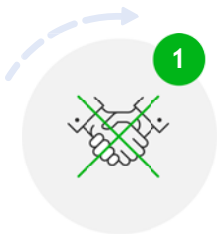

In advance, we determine the aisle widths and traffic areas for each event in a way that the minimum distance of 1.5 m can be guaranteed.

EXHIBITOR GUIDELINES

SHOW SAFE

With Show Safe you will be able to network and keep appointments as usual without jeopardising your own safety or that of others.

BUSINESS CONTACT ETIQUETTE

In order to protect everyone's health, the minimum distance of 1.5 m should also be maintained during business appointments and physical contact and shaking hands should be avoided.

HYGIENE

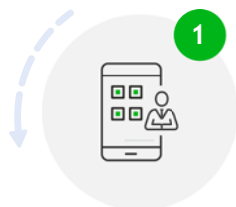

Disinfectants must be provided at each stand; surfaces need to be cleaned regularly respectively after each business meeting.

ORGANISATION AND SERVICES

STAY SAFE

With Stay Safe large gatherings of people will be prevented, so that you will be safe even at classic contact points.

REGISTRATION OF ALL PARTICIPANTS

All trade fair participants have already registered in advance via online ticket purchase or via their exhibitor pass in order to receive their access authorisation.

TICKET SALES

Tickets are sold exclusively online. The tickets are available on mobile devices and allow contactless access.

MEDICAL CARE

Qualified medical care is available on site at all times.

The regulatory situation could change at short notice. Please always be sure to download the latest version of the Covid instructions.
